Introduction

After the success of Part 1 of this book, part 2 is now been placed in hands of our esteemed readers. This part contains techniques on next nine Nakshatra from Magha to Jyestha. Just like part 1, these techniques were first revealed by Shri Sunil John through Saptarishis Facebook groups which include:

- Saptarishis Astrology Research Group
- Saptarishis Astrology fan page
- Mr. Sunil John's Personal Facebook Page
- 1st Batch Predictive Nakshatra– Russian Group
- Saptarishis Astrology Russian Research Group

Readers who are connected with Saptarishis astrology groups were asked to test these techniques and post the examples. Readers from different parts of the world contributed various examples for these techniques. This book is the outcome of this research. Unlike other books in the market, we have also included examples where the technique is not working.

We acknowledge contribution of people who have contributed to this research and express our gratitude towards them. We have modified original posts from contributors to eliminate any typos, short-forms and grammatical mistakes.

After reading one or more techniques, many educated

readers may test a particular technique on a few charts and may find that the technique is not working. However, it should be kept in mind that these are yogas (combinations) and other factors in the rashi chart should support these yogas or these techniques may be applicable in specific divisional charts.

Most of the charts used in this book are created using Jagannatha Hora (also known as JHora) versions 8.0 and Saptarishi Astrology's proprietary software (charts without proper birth details). All charts are created using Traditional Lahiri Ayanamsa and True Nodes. LMT is used wherever applicable.

Source of birth details – for celebrity charts, birth details and facts are taken from Astro.com (Astro Databank). We have also used facts available on Wikipedia.org for public figures. We have also included lot of personal charts which were shared by followers/readers of Saptarishis astrology Facebook groups. We have listed down the Facebook name of all contributors (as it appears on Facebook).

For the benefit of the readers, we have included 2 appendices in this book. Appendix 1 – Relatives in Astrology, provides list of relatives which can be seen from a person's chart. Appendix 2 – Quick Reference which is a listing of all techniques, it also includes corresponding Nakshatra Study number for these techniques. Reader should be able to map each of these techniques to a

Nakshatra Study as posted on Saptarishis' Facebook groups/pages.

We sincerely hope and pray that the readers will benefit from these techniques. Readers can share their comments/feedback at admin@saptarishisastrology.com.

Clever, ruthless, formidable and charming, Aitken had a boyhood ambition to become Prime Minister of the UK, a game plan of riches and power. The nefarious means that he took to reach his goal began to unravel with a weekend in Paris on 9/17/1993, the weekend on which the Guardian reported and for which he sued for libel. Staying at a 1,000 pound-a-night suite, he later swore that his wife and daughter had been with him. In truth, she was never there. For the prior 15 years his patron had been Prince Mohammed, the son of the Saudi King Fahd. With the Prince, money flowed and his chief "fixer" was Aitken at the center of financial intrigue in the halls of power and wealth. Incredibly wealthy men dealt with awesome sums when buying and selling arms, frigates, helicopters, oil, favors - and women. Aitken's trip to Paris was not a matter of record, his bill was paid and his mission was secret. His Arab friend, Said Ayas, booked the rooms.

Magha Natives or any planet in Magha or Lagna in Magha will create a major downfall in life from a position of power or disgrace. This is especially true if it's a malefic.

Ex: If the planet is 5th lord the reason could be children or other significators of 5th house or if it is placed in 9th house, the reason could be Guru or Bhagya or father etc.

Example 1: Bill Clinton

Note: There are multiple versions of Amitabh Bachchan chart but most astrologers take his ascendant as Aquarius which has Rahu in 7th house.

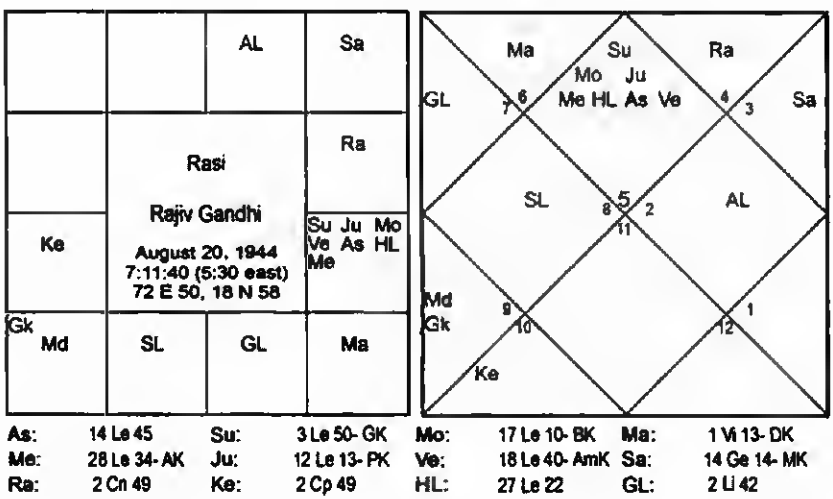

Observation: He has Rahu in Magha in 7th house of marriage, relationships & business, etc. The reason for

biggest agony of his life is his relationship with the other woman which has been the subject of gossip mill for many years. His business venture was a complete fiasco.

EXAMPLES IN WHICH THE TECHNIQUE IS NOT WORKING

Example 1: Contributed by Vedic Jyotish Vidyarthi

As:	29 Ta 14	Su:	5 Sc 04- PK	Mo:	27 Sc 06- AmK	Ma:	7 Le 10- MK

Analysis:

- Mars & Rahu are in Magha nakshatra pada 3 & 4 respectively.
- Mars is 7th& 12th lord.
- Mars & Rahu conjoins Jupiter (8th& 11th lord).

Our Comments: The native is only 38 years old and ideally, we must test a technique on natives that are older and events have happened in their life.

Technique 5

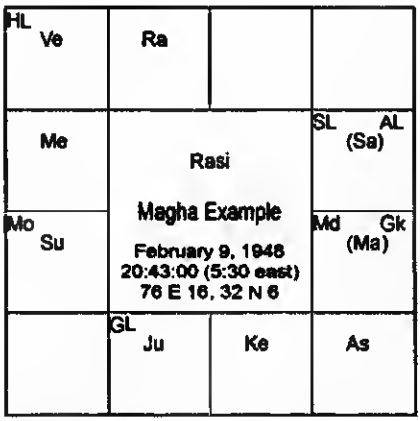

If Magha is afflicted especially by Jupiter or Rahu then these natives will get into Pseudo Spirituality. These natives will not come over it and remain in illusion. For example, some people do Pranic Healing or Reiki which works wonderfully but if the person is not grounded, he/she will become neurotic (hung-up) with it beyond limits. They will spend many years under illusion of spirituality considering it deep spirituality. They may get vision or dream of some image or some god guiding them to get into spirituality or become spiritual or do certain things. Such natives will go to great extend in the name of this illusion of spirituality but when they see someone in real trouble (like at site of accident) they will not lend their helping hand. Another fad is about Kundilini, which cannot happen without guidance and presence of real Guru but many people will just remain in such illusions.

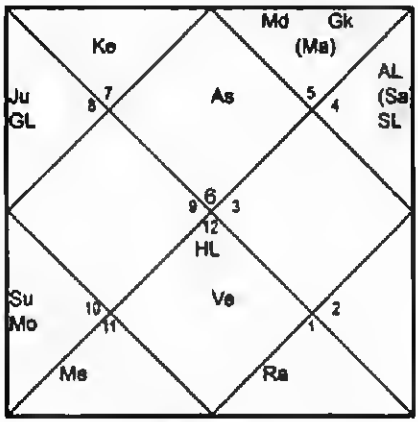

Technique 6

Magha & Lineage

If Magha is afflicted or it is related with afflicted Rahu/Ketu, such natives will have curse in their lineage (family curse).

Example 1:

As:	0 Vi 60	Su:	26 Cp 40- AmK	Mo:	21 Cp 19- MK	Ma (R):	7 Le 56- GK
Me:	13 Aq 11- PK	Ju:	29 Sc 44- AK	Ve:	4 Pi 18- DK	Sa (R):	26 Cn 04- BK
Ra:	25 Ar 35	Ke:	25 Li 35	HL:	8 Pi 32	GL:	12 Sc 12

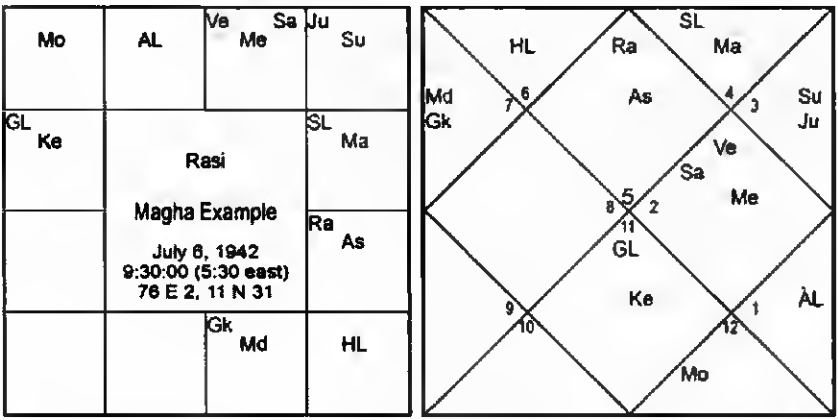

Observation: Native has curse in family lineage. Grandmother of the native, while dying said that none of male members of the family will be settled in their life. This is due to brutal sin of grandfather of the native.

Analysis:

- Mars, the dispositor of Rahu is in Magha nakshatra.

- Mars is the 8th lord in Magha nakshatra pada 3.
- Mars is retrograde and in the 12th house of misery and is conjunct with Gulika and Mandi. Also, 12th house is the house of grandmother (4th from 9th).
- As per the observation, the technique works.

Example 2:

Ra:	13 Le 56	Ke:	13 Aq 56	HL:	29 Vi 56	GL:	29 Aq 25

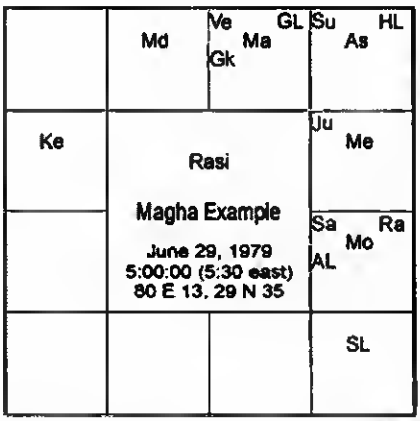

Observation: Native has curse in family as the grandfather of the native used to be treat people suffering from Snake bites. His grandfather used super natural powers (mantra / tantra) to heal people from snake bite. In the process, snake will remove its poison from the body of person and die.

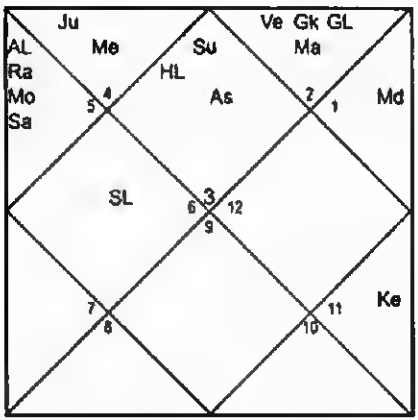

Analysis:

- Lagna is in Magha nakshatra pada 3.
- Rahu is in the lagna. Rahu represents snakes, snake

bites etc. As seen from the observation, the technique works.

"It all started in 1612, when Raja Wodeyar took over Mysore, then under the Vijayanagara Empire, after dethroning the ailing Tirumalaraja. After the change of guard, Tirumalaraja's wife Alamelamma took all the royal ornaments and escaped to Talakadu, an area in the vicinity. According to historians, Alamelamma was upset about what she considered was her husband's unceremonious ouster from the ruler's chair. When Wodeyar's soldiers tracked her down to confiscate the ornaments, in order to escape arrest, she committed suicide by jumping into the Cauvery river. But not before she uttered ominous words cursing the Wodeyars to an heirless future. "May Talakad turn into a barren expanse of sand; may Malangi (a village on the banks of Cauvery)

turn into an unfathomed whirlpool; may the Wadiyars of Mysore not have children for eternity." she is said to have chanted as she took the leap to her death."

- Events related to surgeries can be seen due to Mars aspects. Mars is karaka of accidents, surgeries and it is in 2nd house of family.

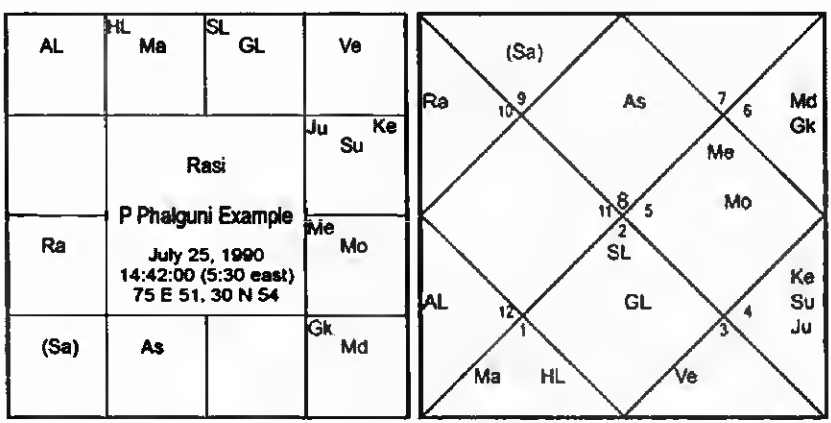

Technique 2

If one has a key planet in Purva Phalguni or especially planet related to paper work then these natives will at least once in life

1. Face problem with paper work; or
2. Get entrapped in paper work; or
3. Lose paperwork/agreements/contracts/official paperwork/documents often especially if nakshatra is afflicted
4. Sign on blank cheques or blank documents or face troubles by signing without checking

Bhaga, the deity of Purva Phalguni is in-charge of unions and contracts, hence these results are experienced.

Analysis:

- The Moon, Mars & Jupiter are in Purva Phalguni nakshatra pada 2, 1 & 1 respectively in 10th house.
- Venus is in the 2nd house and aspected by Jupiter.

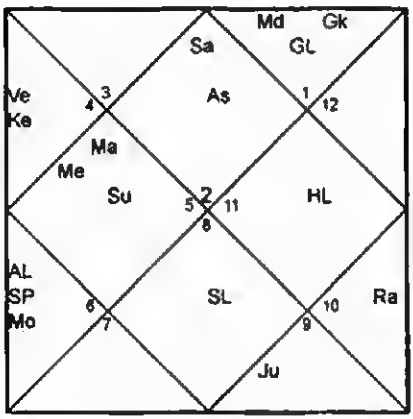

Our Comments: The native is only 38 years old and ideally, we must test a technique on natives that are older and events have happened in their life.

Technique 3

Mars is in Purva Phalguni or aspecting it can create disputes regarding property especially if it is a functional malefic.

- These planets are aspected by Mercury which is 5th& 2nd lord. 5th house is 7th from 11th house of siblings of father hence it will indicate Paternal Aunt. Hence involvement of paternal aunt is clearly

seen.

- There is a house exchange between Mercury & Saturn in 10th& 5th house.
- Saturn is 9th& 10th lord, as per erudite of astrology both these houses represents father. It is not surprising to see father's involvement in this case.

Technique 5

Doing fire rituals like hawans are very important for natives which have key planets in Purva Phalguni nakshatra. Such natives prefers to stay close to places where hawans or other type of fire rituals (हवनआदि) are performed on regular basis. The biggest remedy for such natives is to perform hawan regularly in their own house.
For Westerners, Fire place becomes very important for natives with key planets in Purva Phalguni.
(Fire is important for such natives, actual manifestation of the results will depend on desh, kaal & patra)

Analysis:

- Saturn & Rahu are in Purva Phalguni nakshatra pada 1 & 3 respectively.
- As per Shambu Hora Prakasa, 5th house represents attainment of desired effects through mantras. Mantras are an essential part of hawnas and homas. In this case, the native prefers to do hawans herself.
- Saturn is dispositor of the Moon hence becomes lagna lord from Moon ascendant.

Technique 6

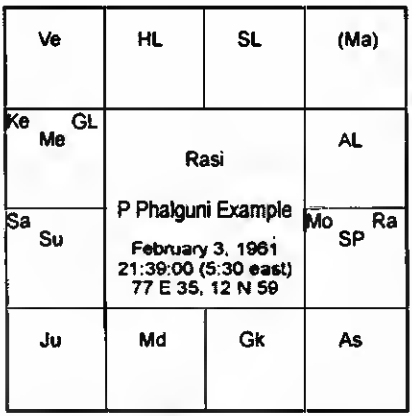

If Purva Phalguni nakshatra is unafflicted, the native with key planets in this nakshatra will get house with good vastu. Such natives have deep desire (or can be obsession) for fine lodging. Given a choice to select between Marilyn Munroe or good/fine house such natives will invariably go for good/fine house.

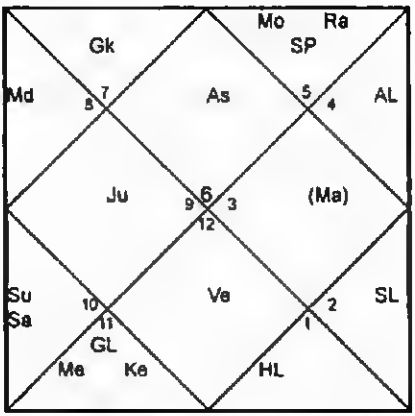

Lake side house or house with picturesque view or house with beautiful bed will be their innermost deep desire.
On the other hand, if Purva Phalguni nakshatra is afflicted by Mars (in D1 or D4), the native will invariably get a house with poor Vastu.
To double check, following points need to be studied carefully:

1. 4th from Lagna, the Sun & Moon should be checked.
2. Chart of spouse can also be checked in same way.
3. Even chart of parents can be checked for judging strength or affliction to the 4th house.
4. D4 should be checked.

Checking these conditions will help in giving finer predictions. Those who give predictions based on only one condition will not be able to predict accurately and such persons often complain that technique is not working.

Technique 11

Purva Phalguni & Clutter

Natives with key planets in Purva Phalguni will have lot of clutter in their life. They need to declutter their life. This is one of the remedies for such natives.

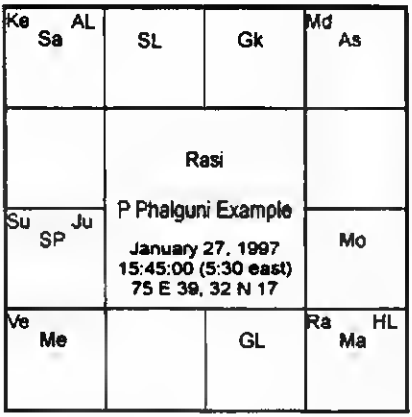

Examples - They may have unnecessary relationships, some of which they need to dissolve. They may have too many hobbies or interests some of which are irrelevant and can be removed from their lives. They may have more than needed stuff at their home.

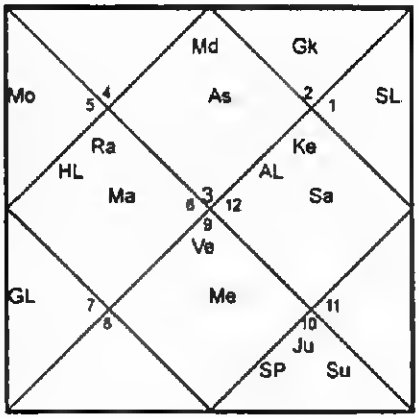

Astro Vastu

Location of clutter or deformities (vastu dosha's) in one's house can be located based on direction of Purva Phalguni or the direction its lord i.e. Venus is sitting in one's horoscope.

For example, Venus in 11th house or 12th house and that denotes south east of horoscope or Purva Phalguni in 7th house then its west corner and if these have a spoilt toilet then relationships or other significations of Purva Phalguni would go down in drain.

Technique 1

If a key planet is in Hasta, it gives "Cooking-up or Manipulative Skills" especially if it is afflicted by a malefic.

For what the native will manipulate will be dependent on the karakatwa and lordship of the planet afflicting it.

Example 1: Bill Clinton

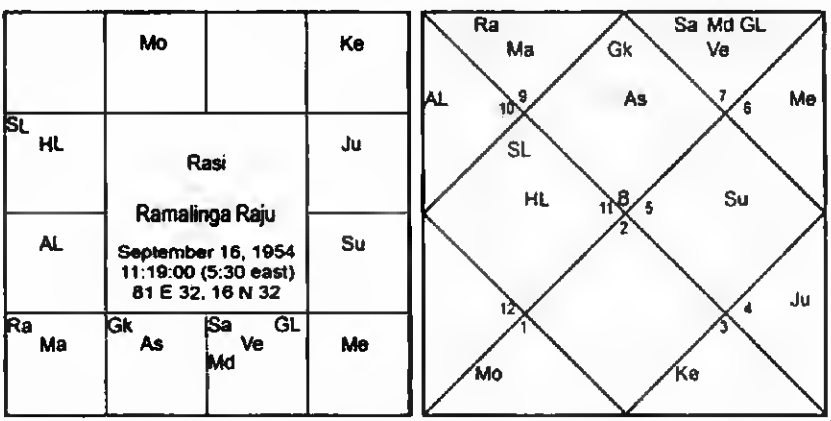

As:	0 Vi 56	Su:	2 Le 52- GK	Mo:	26 Ar 40- AK	Ma:	13 Vi 14- MK

Observation: Bill Clinton - He has 2ndlord of speech/finances/family prestige Venus (woman) who is also Amk (career) in the nakshatra of Hasta and during the Monica Lewinsky scandal he kept on manipulating words for protecting himself (it is natural to do so and no judgement here) and his family. Kindly note that Mars the 8th lord of sex scandal is afflicting this Venus by being placed in Hasta and lagna nakshatra is also in Hasta - 3 key planets in Hasta

In fact, most of her life was revolving around how to borrow money, and then put pressure on mother or father to sell real estate so she can pay off debts. Sometimes she wouldn't even pay debts, so her mother out of embarrassment used to pay for her.

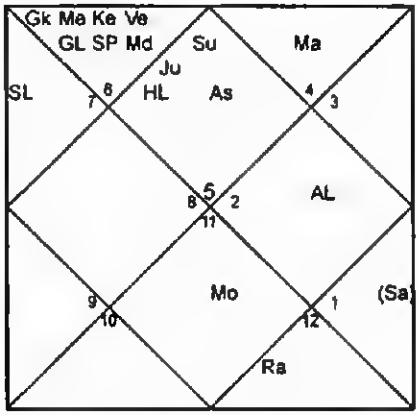

She sued a man who bought a house from her (which was first her father's house, then transferred to her) some 10 years after selling stating that he didn't pay for garden. Law suit was long and costly, but finally she lost. In fact every law suit she started – she lost.

If Hasta nakshatra is afflicted or 9th lord from lagna or Moon or Sun is situated in it and it is afflicted, then from the day of birth of child until child turns 4 years old, there will be serious events in the life of the father. If affliction is stronger, chances of real mishaps in life of father are higher. Events including fire, robbery, divorce, ill-health, accidents, deaths, loss of job, relocation, etc. are possible in the life of father.

Technique 3

Chitra is ruled by Tvastar, the celestial architect, normally it produces great engineers, architects, craftsman and artists. One thing to understand about Chitra is their superfine quality in going through the curves while doing all these, going through them intricately, this makes them very sharp and attentive brains. Look at Rao Saheb (Shri K N Rao) he has Moon Sun and Venus in Chitra, Venus is in a mahabhagya yoga and all these traits he has used to intricately carve out a niche for himself in his field.

What if the 'Focal Points' that is Asc Nak or Moon Nak or Sun Nak is not in the given nakshatra under study, so taking these qualities let us explore

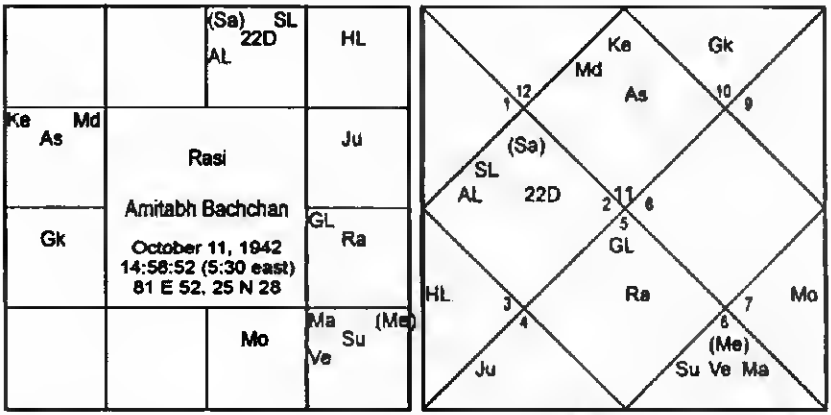

a) Let us assume if the 12th lord is in Chitra then native could have a great fondness for shoes or leg accessories or be a designer of it or manufacturer.

b) If the 2nd house or 2L or 3H or 3L in Chitra then necklaces or hand jewelery or clothes and so on.

Something intricate, something creative

c) Lee Iacocca, the legend of legends who did Ford Motors and General Motors had Sun in Chitra with the exalted 4L of vehicles Mercury and he made cars for the world.

Technique 4

Chitra & Orderliness

If Chitra is afflicted there will be lack of orderliness in life. Remedy to this affliction is to bring orderliness in life. If not afflicted native will be very orderly and systematic, e.g. 10th lord Moon is in Chitra in the case of K N Rao sahib and he has done systematic research, maintains his Jyotish readings in printed files.

Technique 5

If Chitra is afflicted then it will give split or separation or that something remaining in that area of life, which will (almost) not be fulfilled ever.
For eg,1) Venus in Chitra but afflicted maybe as 8L can give separation from love affair, 2) Ketu in Chitra in 9H of legality of marriage so some split there.

In some cases, afflicted planets in Chitra in 9H I have seen problems regarding paper work (I know no one takes paper work for 9H) but this is my observation.

On a side note Mars Ketu together in Chitra, native can do something to do with electricity, or some problem with electricity or something like that.

Example 1: Contributed by Tamal Kishore Acharya

Ra:	15 Ar 47- PK	Ke:	15 Li 47	HL:	17 Sc 09	GL:	15 Aq 46

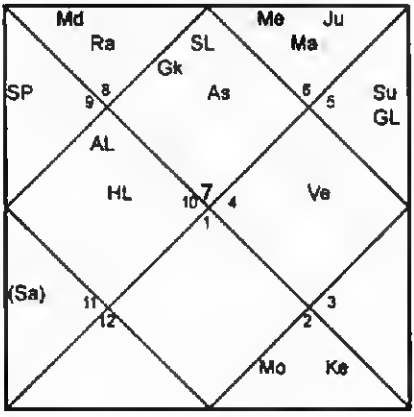

Observation: Split/ Separation: Separation is from father and family. Father stays away from family for many years for his own profession as a doctor. Visits home occasionally. Native stays away from her hometown in another city for job. Native left home 7-8 years back for education and continued to stay in the different city for job. He does not want to go back to hometown or stay with family because his family follows very traditional &orthodox customs. Visit home few times a year. Father and family have get-together once or twice a year or family visits father. Native's mother stays in hometown with grand-parent alone. Native brother is also in another city for education.

Analysis:

- Mercury is in Chitra nakshatra pada 2.
- Mercury is 9th lord of father and 12th lord of foreign.
- Native is separated from his father and family.
- As Mercury is 12th lord, it will give results as per placement hence it is giving results of 12th lord/house (not 9th lord).
- Mercury is with the Sun, who is natural karaka of father. This is another clue for separation from father.

Analysis:

- Mars is in Chitra nakshatra pada 1.
- Mars is lord of 2nd and 7th house which makes him maraka, although it is nakshatra lord.
- Mars is with Mercury (9th& 12th lord) and Jupiter (3rd& 6th lord).
- 9th lord signifies father of the native hence separation from father is seen.

Observation: Native's father stayed away from her due to his work and now the native stays away from her homeland for studies.

Analysis:

- Mercury, Rahu & lagna are in Chitra nakshatra pada 1, 3 & 4 respectively.
- Mercury being lord of 9th house of father & 12th house situated in 12th house of foreign afflicts Chitra nakshatra.
- The Sun which is natural significator of father is also with Mercury in 12th house is another factor for separation from father.
- Since Mercury is in own house, presence of father in native's life is seen but at same time separation is also seen.

2) Native is working in power sector. He works at a thermal power plant where electricity is produced. Native has done engineering in power.

Analysis:

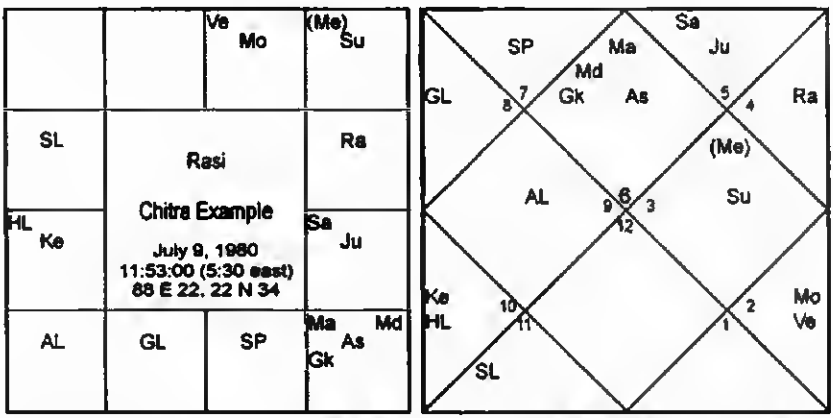

- Ketu is in Chitra nakshatra pada 1 in 2nd house.
- 2nd house represents tooth of natives hence space between tooth can be clearly seen.
- Mars is aspecting Ketu in Chitra nakshatra. This completes combination mentioned in part 2 of this technique. Hence native's involvement in Power sector is not surprising.
- As per the observation, the technique works.

Technique 6

Chitra & Remedy 2

Chitra natives have high level of creativity in them. If they use their creativity for pomp & glory or personal gain, it will afflict the nakshatra. They need to practice detachment. Once they start practicing detachment, whole chart is uplifted.

Technique 1

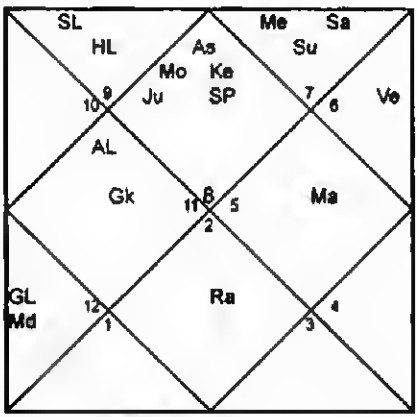

This is very subtle observation

If anyone has a planet in the 12th house in Swati or a planet having influence of 12th and connected to Swati then he or she can have habit of

Technique 2

Natives with focal planets in Swati have a deep connection or major pending karma with their mother or inheritance.

Example 1: Contributed by Urmila Revankar

Observation: The native has Mercury (lagna lord & 4th lord) in Swati nakshatra.

The native was brought up her grandparents (maternal grand-parents) as her mother was pregnant within 2 months of delivering her. Since the native was a sickly child her responsibility was taken up by her grandmother to the extent that the native till the age of 12 thought that her grandmother was her mother. Her mother was never a part of native's life in growing up years or even later. But the native never lacked love and affection in her life as her

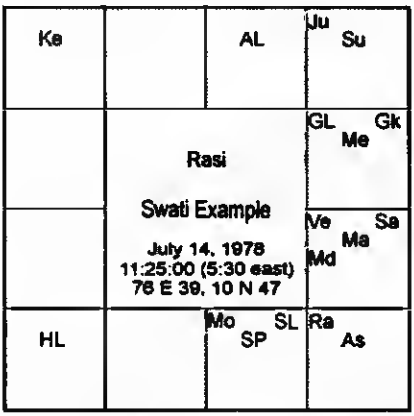

grandparents and maternal aunts and uncles showered her with lots of love. She received a sizeable inheritance from her maternal grandmother.

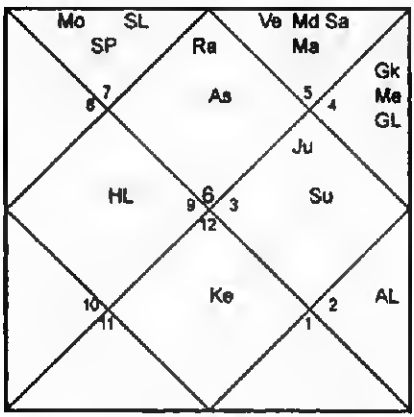

Since last 10 years the native's mother's responsibility has come to the native herself and she looks after her well-being as both her son's live abroad. Thus, the native is fulfilling her pending karma towards her mother.

Analysis:

- Mercury, lagna lord and 4th lord, is in Swati nakshatra pada 1 in 5th house.
- Mercury conjoins Venus in Libra (own sign).
- Mercury & Venus are aspected by the Moon. The Moon is karaka of mother.
- As per the observation, the technique works.

Observation: At the age of thirteen the native's father passed away (on March 31, 1991). His mother raised him and his younger brother by herself without much support from her family. Regarding inheritance not much is expected.

Analysis:

- The Moon is in Swati nakshatra pada 1 in 2nd house of family, sustenance.
- Moon is the karaka for mother in the 2nd house of close family.
- Native's mother was the bread winner and raised native in absence of father.

From very next day, the family dispute started and he was blamed for his mother's death. His family members blamed him for paying less attention towards her which led to her demise. In reality native was taking good care of his mother's health. He was there for her every day and night for last 39 days of her hospitalization.
About inheritance: have no clue, as he had to move out with his wife and no-one tried to stop him from doing it. In his view, he does not care about his inheritance if he is getting blamed for his mother's health and death.

Analysis:

Technique 6

Swati & Herbs

For natives with key planets in Swati, herbs will be a wonderful remedy for their illness or diseases, provided Moon is not afflicted especially Eucalyptus herb.

- The Moon conjoins Venus & Mercury and aspected by Mars.
- Moon is the lord of the 12th house where Gulika and Mandi are placed, thus afflicting the nakshatra.

Technique 7

Swati & Religion

If Swati is afflicted or is related to 9th house/lord from Moon or ascendant, then these people can either change their religion or become religious fundamentalist.

Example 1

Technique 1

Vishakha natives often seem to bear a grudge against someone for almost the full lifetime. Often their enemies seem to come from a past life time and in the current life their enmity will come to haunt them in some form or the other.

This is one of their biggest lessons in life that they have to master if their spiritual progress has to happen. No amount of mantras, poojas and meditations will be of help in their spiritual journey unless they master letting go of that grudge.

Technique 3

Vishakha & remedy

If Vishakha nakshatra is afflicted or nakshatra lord is afflicted, then natives will do whatever it takes to be successful. For them success comes first. They will have atleast one scandal related to success in which they performed some unethical things like putting false facts in resume, saying untrue things during interviews etc.

Example 1: Joe Biden

As:	10 Sc 09	Su:	4 Sc 31- GK	Mo:	7 Ar 57- PiK	Ma:	19 Li 34- BK

Observation:

"Applauded as a smooth and polished orator, he declared his presidential candidacy on 6/09/1987, but bowed out of the race on 9/23/1987 after weeks of attacks by the press, accusations of plagiarism of segments of his speeches and falsehoods about his school record. Instead of a full academic scholarship,

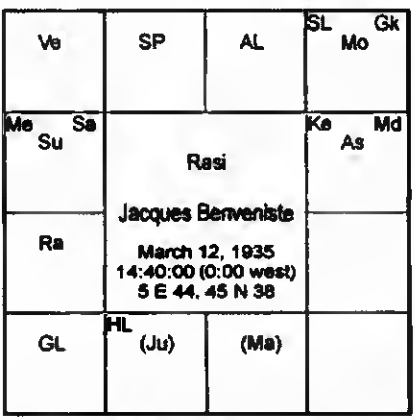

he had actually gone to school on a half scholarship based on financial need. He did not finish in the "top half" but was No..76 in a class of 85, and he did not graduate from Delaware with three degrees but with a single B.A. in poli-sci and history. Not the first man to pad his resume, he had not taken into account the level of visibility of a public servant."

Observation:

- Benveniste was subject of major controversy for his

article in the prestigious scientific journal Nature. His findings were later proved wrong.

"As a condition for publication, Nature asked for the results to be replicated by independent laboratories. The controversial paper published in Nature was eventually co-authored by four laboratories worldwide, in Canada, Italy, Israel, and France.[1] After the article was published, a follow-up investigation was set up by a team including physicist and Nature editor John Maddox, illusionist and well-known skeptic James Randi, as well as fraud expert Walter Stewart who had recently raised suspicion on the work of Nobel Laureate David Baltimore.[2] With the cooperation of Benveniste's own team, the group failed to replicate the original results, and subsequent investigations did not support Benveniste's findings either. Benveniste refused to retract his controversial article, and he explained (notably in letters to Nature) that the protocol used in these investigations was not identical to his own. However, his reputation was damaged, so he began to fund his research himself as his external sources of funding were withdrawn."

Analysis:

- Jupiter is in Vishakha nakshatra pada 4.
- Jupiter is 6th lord hence afflicts Vishakha nakshatra.

Events can be timed in terms of the running year of native when the above nakshatra is activated. This may happen when any planet is placed in this nakshatra or also when a specific planet is placed. When this happens, significant event(s) (also of a specific nature) may take place in the 26th running year of the native.

1	My moon is also in Anuradha nakshatra and sir I couldn't figure out a single event happened at the age of 26th year running neither a big or small change came in my life or in family members life or my observations are too weak.	Aditya Kaushik

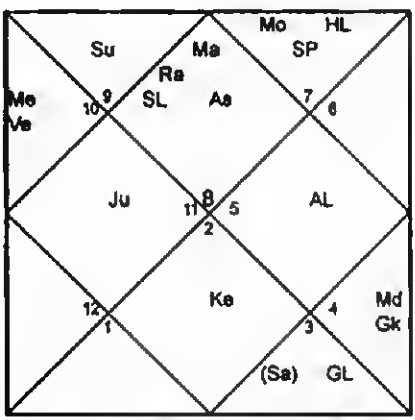

Technique 2

In case of Anuradha nakshatra:

1. If it is afflicted, or
2. If there is any planet in Anuradha nakshatra especially a malefic, or
3. Any key planet is located in Anuradha and Anuradha nakshatra is afflicted, then in the life of the native one major event will break their (false) pride or ego (गुरूर या घमंड). The native has to learn to be in terms with his or her ego. This is the biggest lesson for such natives. It can be incident related to cheating or an event which will break native's false ego/pride.

Example 1

"French painter, sculptor and lithographer, noted for being one of the foremost decorative French painters of his time and one of the most influential of the 1900s..[underwent a] series of setbacks in 1898 for the struggling artist. Beginning with the death of his beloved mentor, Moreau, his successor was indifferent to Matisse's work and abruptly asked him to leave Ecole Des Beaux Arts. The monthly allowance from his father that served as his principal income could not be stretched to accommodate a family a five, so Amelie opened a small milliner's shop to help with family expenses. Matisse then became ill with bronchitis in 1901, forcing him and his family back to live in Bohain with his parents until his health was restored. Remaining in Bohain for two years, he returned to Paris and showed his work in several exhibitions, but none sold. His father cut him off financially at age 33 when it became apparent that his son painted pictures that had no commercial potential. Success came in 1905 when Matisse and his circle of artists independently displayed their exuberantly colored paintings at the Salon d' Automne, the annual exhibition to which all of Paris came, to see what was being done by leading artists."
